1. This is an application for grant of anticipatory bail. The applicant has been shown as an accused in C.R.No.3095/2006 registered by the Bhosari police station for offences punishable under Sections 135 & 138 of the Electricity Act. The allegation against the present applicant is that he has tampered with the electric meter put up in the office premises at MIDC. The meter has now been seized and is in the custody of the police. As far as MSEB is concerned,

after the incident, they demanded Rs.6,81,091/- as penalty. This amount was paid and the meter is re-connected. Taking an overall view of the matter, I am inclined to grant anticipatory bail to the applicant. It is therefore, directed that in the event of arrest in connection with C.R.No.3095/2006 registered by the Bhosari police station, dist. Pune, the applicant may be released on bail in the sum of Rs.10,000/- with one surety in the like amount subject to the condition that he will report to the Bhosari police station once a week on every Monday till the charge-sheet is filed and thereafter once a month on every first Monday of the month till the conclusion of the trial. Application stands disposed of.
